quast - Bug #5

GeneMarkS not found

2017-11-14 09:42 PM - Fanie Riekert

Status:	Closed		Start date:	2017-11-14
Priority:	Normal		Due date:	
Assignee:	Fanie Riekert		% Done:	100%
Category:			Estimated time:	0.00 hour
Target version:			Spent time:	1.00 hour
Description				
GeneMarkS not found for some pipelines with default Quast install.				

History

#1 - 2017-11-14 10:16 PM - Fanie Riekert

- Status changed from New to Closed

- File genemarks.sh added

Due to licensing GeneMarkS must be downloaded from http://exon.gatech.edu/license_download.cgi by the user themselves.

Use the attached script for installation. And add $HOME/.opt/bin to the PATH environment variable.

#2 - 2017-11-14 10:20 PM - Fanie Riekert

- % Done changed from 0 to 100
