container - Feature #5558

Fedora Container

2020-02-06 08:19 PM - Albert van Eck

Status:	Closed	**Start date:**	2020-02-05
Priority:	Normal	**Due date:**	
Assignee:	Albert van Eck	**% Done:**	100%
Category:		**Estimated time:**	2.00 hours
Target version:		**Spent time:**	2.00 hours

Description

Added CA and intermediate certificates to allow self signed certificates without user intervention.

Added Package:
ca-certificates

Execute scripts:
cd /etc/pki/ca-trust/source/anchors
wget "http://login.hpc.ufs.ac.za/public/core.cer" -O core.cer
wget "http://login.hpc.ufs.ac.za/public/hpc.cer" -O hpc.cer
update-ca-trust
