The getting started section of the documentation site				

Associated revisions

Revision e39e89f5 - 2022-01-04 05:32 PM - lategandupreezl@ufs.ac.za

Getting started section of the documentation site | refs #6142 @3h00

* Reformatted layout of documentation   * Introduced placeholder documents   * Incorporated above into the mkdocs configuration - section is correctly built

Split the HPC101 document up into multiple pages - refs #6140 @1h00

Added and started with the Linux 101 section of the documentation - refs #6141 @4h00
